

Modern Art Paint Project

Instructions: Create a bitmap or jpeg image using the following criteria:

1. Resolution = 800 x 600 pixels (**File → Properties**)
2. Draw at least.... (**Home → Shapes**)
 - 10 straight lines
 - 10 curved lines
 - 10 5-sided shapes
 - 10 6-sided shapes
 - 10 Circles or ovals
 - 10 Rectangles
 - 10 Squares
 - 10 Triangles
3. Use a different color for each shape (**Home → Colors**)
4. Use each line size twice (**Home → Size**)
5. Use the paint bucket to fill in your white canvas (**Home → Tools → Fill**)... You might need to draw extra shapes to help you
6. Airbrush border (**Home → Brushes**) Make sure to move your mouse steadily so that your airbrush looks like airbrush and not a regular brush. Use line size 4.
7. Sign your name in cursive near the bottom right corner of image (**Home → Tools → Pencil**) Use line size 2 or 3.
8. Use a text box to include a title near the top center of image (**Home → Tools → Text**) You pick a font style and color (NOT Calibri) and font size = 24 or >

Work on an old project once you finish this one so Mr. Melendez knows it time to grade your masterpiece. 😊
