

# Flyers

**Instructions:** Create flyers to convince Mr. Melendez to buy something AND to go somewhere.

The flyer must have:

1. **Page Border** around the whole page (**Design → Page Borders**)  
If you use art make sure the design makes sense
2. **Word Art** for the Title (**Insert → Text → Word Art**)
3. High quality **Picture** (**Insert → Illustrations → Online Pictures**)  
Resolution is 800 x 800 or >  
Remove the picture's background (**Format → Remove Background**)
4. Use **Bullets** for your information (**Home → Paragraph → Bullets**)  
Information must include: 2-3 reasons to go/buy and fake contact details
5. Highlight everything then use **Center Align** (**Home → Paragraph → Center**)
6. Change font **type, size** and **color** (**Home → Font**) No black or Calibri!  
Word Art title is bigger font size than the bullet information.
7. No big gaps between title, picture, and bullet points = backspace away gaps  
Title and picture = ½ of page AND bullets + contact info = other ½
8. 25 words MIN and 50 words MAX on each flyer
